

## How to get to GlashusEtt

Lugnets Allé 39, +46 8 522 137 00

Go by **tube** – the green line - to Gullmarsplan. There you take "Tvärbanan" – the tram, towards Sickla Udde. You get off at Sickla Kaj. Walk in the same direction as the tram and on your left side you will find GlashusEtt.

### Bus and Ferry

A different way to go to Sjöstaden is by boat. Take bus no 2, which go through City of Stockholm, to the end stop Sofia (Barnängen) and walk down to the quay Barnängsbryggan. Take the boat, Lotten/Emelie, over the lake Hammarby Sjö. You find the timetable [here](#). From the Lumabryggan you follow the quay to the left to the big bridge. Walk up the stairs to Lugnets Allé. Continue straight ahead aprox 100 m and you will find GlashusEtt on your right-hand side.

You could also take bus 74 from Mariatorget which pass Skanstull to GlashusEtt. You find the timetable on our website or at [www.sl.se](http://www.sl.se). You shall go to the bus stop Sickla Kaj.

## **By car**

### *From the "Söderleden"*

Go via the link "Söderleden" and take the turnoff where it says "Hammarby Sjöstad". After the bridge "Skansbron" in the roundabout turn left and you are on "Hammarby Allé". Go along the tram-rail to Lugnets Allé.

### *From the city*

Go via the "Stadsgårdskajen" over the bridge. Pass the traffic-light and turn off by sign "Hammarby Sjöstad". You turn right in the roundabout and then turn right at the traffic-light. Go along "Båtbyggargatan" and turn left in to Lugnets Allé.

### *From the south of the City*

When you see signs "Nynäshamn, Årsta" follow that route (73). Continue at "Nybodakopplet" in through the tunnel. Continue about 4 km and follow the signs towards "Hammarby Sjöstad". When you come to the roundabout you turn right and into "Lugnets Allé". Go straight through the next roundabout. After the tram station and on your left-hand side you will find GlashusEtt.
